15 Year
Full Warranty

Londonderry Job: 4x13m panels = 52m²

Thermo Pools makes its own absorber in Western Sydney using a custom built plastic extrusion machine. We buy our PVC plastic by the tonne. All systems are custom made to suit your roof from a 1m panel to a 13m panel.

- All of our panels have a full **15 year warranty**.
- All couplings and fittings have a **10 year warranty** and are easily replaced if needed.
- **5 year Cockatoo Warranty** (half price service fees thereafter if required)
- Warranty covers wind and storms.
- Warranty exclusions : Hail and any interference with the system from anyone other than a Thermo Pools trained employee.
